

AGREEMENT TO CONTRIBUTE TO OPEN LCC

POETRY PROJECT CONTENT

I, _____, agree to participate in the creation of LCC Community-Generated Poetry Project content, in collaboration with Professor Barbara Clauer.

This work will be included on the OpenLCC site poetryproject.openlcc.net created and maintained by Barbara Clauer.

I understand that inclusion of my work in the final product is conditional upon my willingness to license my contributions under a CC-BY license.

I have read the excerpt from the [Guide to Creative Commons Licenses](#) (see back) and understand that a CC-BY license allows others to share, use and adapt my work so long as they attribute me as the original author.

I understand that I have the right to request that my name and/or work be removed from the original text, or change the license on my contributions at any stage prior to publication.

CREATIVE COMMONS LICENSING GUIDE

WHAT IS A COPYRIGHT LICENSE?

Copyright restricts the use of creative works (written text, photos, graphics, music, film etc.) to the creator unless they give explicit permission to another person or company to use their work in a particular way — think of an author allowing their book to be made into a film, or an artist allowing their artwork to be printed on a t shirt.

These permissions are called licenses, and the resulting products are called derivative works.

Traditionally, these licenses have been granted on a case-by-case basis, and require every person seeking a license to contact the creator every time, for every use.

WHAT ARE THE CREATIVE COMMONS LICENSES?

Creative Commons (CC) licenses give people “a simple, standardized way to grant copyright permissions to their creative work” ([Creative Commons](#)). Instead of requiring each person wanting to use, share or adapt the creative work to ask permission, a CC license allows the creator to indicate upfront what they will and won’t allow others to do with their work.

There are several CC licenses, each of which grants different levels of permission to the public. Each of these licenses provides conditions for appropriate use, and can be differently suited to both specific kinds of creative content and the preferences of a work’s creator(s).

CC-BY: Attribution

Anyone is free to **share & adapt** the work, as long as they give appropriate credit, provide a link to the license and indicate if changes were made to the original material.
